

WATCH THEM GROW

Kaitlyn - Age 13

She's been described as full of energy, which shows in her love for sports like basketball and softball. This year, her biggest area of growth has been spiritual, as she was baptized!

Growth

We plan to share with you several growth stories this year, showing you how God is working in our children's lives. Enjoy this first issue about these siblings.

Isaiah - Age 16

He has grown SO much in the 3 years he's been here - in height - he's taller than his house mom! His great sense of humor has gradually let out more and more over time. Isaiah is much more relaxed and talkative. He's grown in his relationships with his house parents and others on campus. One area of growth is his willingness to try new things and experiences. He's such a joy!

We were thrilled at Kaitlyn's decision to recently be baptized. To God be the glory!

“But grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ. To him be glory both now and for ever. Amen.”
- 2 Peter 3:18

Isaiah is hard to capture in photos - he likes to run and hide! We've watched him come out of his shell during his time here.

Kaitlyn enjoys cooking and recently helped cater a baby shower with another resident at Joy Ranch.

Isaiah loves basketball! He's on the Carroll County High School team, shown here with ball in hand.
